CLERK: 26 ayes, 0 nays on the adoption of the DeCamp amendment, Mr. President.

SPEAKER NICHOL: The DeCamp amendment is adopted.

CLERK: Mr. President, Senator Goodrich would move to amend and Senator Goodrich's amendment is on page 1427.

SPEAKER NICHOL: Senator Goodrich.

SENATOR GOODRICH: Mr. President and members of the body, the other day Senator Wesely got an amendment adopted to the bill and, incidentally, Senator Wesely and I have joined in this particular amendment where we are actually now changing the amendment that he had adopted the other day and we are saying, in essence, that the higher limit premium cards that do more than just extend the credit, in other words they provide additional services, can carry a premium, excuse me, an annual charge subject of the determination of the Banking Director beyond the \$20 and I would move the adoption of this amendment.

CLERK: Senator Goodrich, you had an amendment earlier printed. You want that one withdrawn then as I understand it, right?
